Theatre Spaces Walk-Through (Thursday)

On Thursday night from 9:00 PM to 11:00 PM there will be a technical walk through of the Crosby and Trojan Center Theatre spaces. The first 30 minutes will be facility orientation and a walk through. Beginning at 9:30 pm, each participant school will be provided 5 minutes for students to familiarize themselves with the lighting control setup. Groups will be brought up to the booth area(s) and given an orientation on the operation and follow-spot/other procedures.

Groups will not be given extra time to work with the control systems. The setup will be the same for all participants, and all participants are invited to the walk-through.
